

## Note from Norval...

For over 35 years, I have been working in the landscape industry. During the first 10 years, the business grew and expanded because of the personalized service I offered then and continue to offer today.

My business grew mainly through word of mouth referrals and today, I have a tremendous customer base that has been with me through the years.

To stay current with industry advancements, I continually attend conferences, seminars and training in a multitude of areas. Most recently, I attended an extensive course provided by NOFA (Northeast Organic Farming Association) so as to provide organic alternatives to my customers who want to go green.

Lastly, to continue to provide my customers with first class service and to grow the business, we consolidated all our operations to a new facility in Morris. It was designed to maximize our product offerings, house our equipment expansion and to increase year round services.

Please contact me at anytime for a free estimate on your property needs or for references to contact.

Sincerely,

*Norval Lunan*

  - Spring & Fall Clean Up
- #### Shrubby / Trees maintenance Gardening
- Custom pruning
  - Fertilizing
  - Designing and Planting
  - Design and installation of beds and planters

- Edging, weeding, etc
- Soil enrichment (organic products available)
- Weekly garden maintenance

## Special Events

From time to time our customers have sought our assistance when special events are taking place at their home, such as parties, weddings and fundraisers. As a result, we have acquired an expertise over the years in helping our customers to prepare their yards for special events by coordinating yard work, signage, parking and more. Give us a call, tell us your needs and we will be happy to accommodate them any way we can.

## Miscellaneous Services

We also can provide a variety of services that you may only need one time a year or less. These services are quoted upon request:

- Brush hog/reclaiming old fields
- Back hoe work
- Gutter cleaning
- Snow plowing, sanding, shoveling
- Tree work/clearing
- Fence Installation
- Storm damage clean up

## Going Green

Today, many consumers have a growing concern over the safety of chemicals and products used to care for their lawns and gardens. We are proud to be certified by NOFA, Northeast Organic Farmers Association, as a provider and user of organic lawn and gardening products. We

would be happy to talk to you about your options in this area and provide you with quotes for using organic products.

## Premier Turf Athletic Field Maintenance & Repair

In addition to our residential services, Lunan's Landscaping also provides commercial services to schools and towns to build, design and maintain athletic fields. Please contact us for detailed information on these services at anytime.
